When I think of the word 'Patriarchy' I think of this...

A vibrant, hand-drawn illustration featuring a central figure with pink hair and large eyes, surrounded by various symbols like stars, hearts, a sun, a cat, and a rabbit, all set against a background of colorful, swirling patterns. The central figure has pink hair and large, expressive eyes. To their left is a sun with a face and radiating lines. Below the sun is a large, multi-layered heart. To the right of the central figure is a large, five-pointed star with a pink-to-red gradient. The background is filled with colorful, swirling patterns in shades of purple, blue, yellow, and pink. Various symbols are scattered throughout, including stars, hearts, a cat's face in the bottom left, a rabbit in the bottom right, and a small figure with a single eye. The overall style is whimsical and artistic.
